NO. 1 SONG

Blake Shelton has taken another hit song to the top of The *MusicRow* Country Breakout Chart. "Lonely Tonight" is the No. 1 song for week 6 of 2015.

Shelton seems to do no wrong. Even when he asks a member of his wife's (Miranda Lambert) group The Pistol Annies to do a duet with him about a one-night stand. Ashley Monroe is the female lead on the song and they debuted it together on [stage at the CMA Awards](#) last November. It became an instant hit and is nearing the 400k sales mark.

"Lonely Tonight" was written by **Brent Anderson** and **Ryan Hurd** and is featured on Shelton's *Bringing Back The Sunshine* album.

Shelton has been keeping very busy. Between [tour dates](#), he is still a fan-favorite coach on NBC's *The Voice*, he recently hosted *Saturday Night Live* and co-headlined a show for the United Way of Metropolitan Dallas at AT&T Stadium with Usher. He is also set to reportedly play Arizona sheriff Wyatt Earp in the Western spoof, *Ridiculous 6*. It will be the first of four original movies Adam Sandler is producing exclusively for Netflix. And of course, he will team up with Luke Bryan to form "Bluke" and return to AT&T stadium to host the 50th Annual ACM Awards on Sunday, April 15.

MusicRow Spotlight

Ted Cramer/PD/WIFE/Connersville, Ind.

How long have you been at the station?

I am starting my 9th year at WIFE-FM.

How many "hats" do you wear every day?

I am the PD and MD for three stations, morning show host. I voice track afternoons on the sister station.

What is your philosophy on new music?

Branch and Dean, Chris Weaver Band, Rachael Turner stand alongside Florida Georgia Line, Carrie Underwood and ZBB. Playing independents has helped us as we are No. 1 in our ADI.

What role do promoters play in your music decisions?

Promoters deliver news on how singles are doing in markets across the country and are the first to introduce us to new artists. The promoters also are invaluable in putting live shows together as they help get artist info and available times to us.

Why is it important to report to MusicRow?

We are the voice for secondary markets more music is bought in secondary markets than anywhere else. We also have helped launch careers, Florida Georgia Line and Clare Dunn come to mind.

Tell us something great about your station and/or city.

We are home to the state of Indiana's oldest county fair and first high school marching band. We also are in our 24th year of hosting a Country Showdown.

Who are some NEW artists that you're excited about?

Mitchell Tenpenny, Rachael Turner, Leah Turner, Joanna Mosca, Lizzie Sider..I could list many more..
