NO. 1 SONG

Welcome to the top, **Jerrod Niemann**! Thumpin' his way in a black Ford, Niemann pulls into this week's No. 1 position with "Drink To That All Night."

It's another pop-infused party anthem, but have you been able to change the radio when its on?! It's catchy, thanks to writers **Derek George, Lance Miller**, and brothers **Brad and Brett Warren**. Certainly,

credit also goes to record producers, Niemann himself and *MusicRow's* three-time Album All-Star Bassist of the Year, **Jimmie Lee Sloas**.

Sea Gayle and Arista Nashville can now enjoy a well-deserved payoff for this, Niemann's first CountryBreakout No. 1. The song has climbed the chart for the past 20 weeks. If you haven't already, watch the **Eric Welch**-directed music video [here](#).

March will be a big month for the "Drink To That All Night" performer, who will release his third record with Sea Gayle and Arista, *High Noon*, on March 25. [Album pre-orders](#) are currently available, including instant-grab tracks "Drink to That All Night" and album track "Donkey." Visit [JourneyToHighNoon.com](#) for opportunities to receive free downloads, gaming, and exclusive video content leading up to *High Noon*.

VOICES OF SECONDARY RADIO

Ryan McCall, WGLR/Platteville, Wis.

"We had **Dylan Scott** come to our station back in the fall during his radio tour. We had been playing Dylan's single for a few months at this point and had been given enough advance notice to set up a nice promotion where listeners could win admission to a private acoustic concert, catered by a new Italian restaurant in town. We met Dylan afterwards. We ended up with over a 100 percent turnout—every winner showed up plus more listeners who didn't win, but were hoping to get in anyway.

Ryan McCall

It was an amazing experience and something I'd love to do again and on a semi-regular basis. For new acts visiting who we haven't played yet, it's a great opportunity for them to introduce themselves and to get my undivided attention."
