NO. 1 SONG

Justin Moore doesn't have to wait any longer to find out where his current single, "Lettin' The Night Roll," will take him. Not only did the **Peter Zavadil**-directed [music video](#) leave him alone with a beautiful girl's pom-poms, but the single has taken him to the highest point of *MusicRow's* chart, the No. 1 position this week, after 22 weeks rising.

Our CountryBreakout Songwriter of the Year, **Rodney Clawson**, teamed up with **Jeremy Stover** and Moore for the single, released by Valory Music Co.

On October 9, *MusicRow's* **Robert K. Oermann** [reviewed](#) the title, noting: "Another solid, straight-ahead county performance by this dependable fellow. He's driving his gal around aimlessly, waiting to see what romantic adventures await."

Moore has been named a nominee for this year's ACM New Artist of the Year Award, which will be presented live during the 49th annual awards, co-hosted by **Blake Shelton** and **Luke Bryan**, Sunday, April 6 on CBS. Vote your choice [here](#).

VOICES OF SECONDARY RADIO

Melissa Frost, KRRV/Alexandria, LA

"We're not afraid to embrace new music and I think that's very important. In a world where listeners hear the same ten songs over and over, we provide the most variety of music. We also connect artists with listeners through artist visits and concerts; we've even hosted an office party and a backyard barbecue at a listener's house with a performing artist. These types of events have been successful for us, artists, local businesses, and, most importantly, listeners.

Melissa Frost

In 2014, I'm excited to hear music from **Cole Swindell**, **Dylan Scott**, **Rachel Holder**, **Leah Turner** and **Amber Hayes**, among others."
