Communities Hit By Tornado Help Raise Money

Vilonia, Ark., and Mayflower, Ark., were two of the hardest hit communities of last weeks storms that produced several deadly tornadoes. On Tuesday May 6, the two High School Baseball Teams played each other at the Little Rock Minor League stadium in front of approximately 8,000 people. Local radio station KCNY put together a Live Broadcast of the game that included radio and TV from all over the state.

Frozen Playlists- KMGO, KRGI, KVAY, KWWR, WBYZ, WDHR, WKLI, WMCI, KITX

SMG's Soul Circus Cowboy's recently performed for a room of industry guests at The Rutledge in Downtown Nashville. They showcased several original songs including their current hit, "That's The Way We Roll."

NO. 1 SONG

Four No. 1 singles after the breakout smash "Cruise," **Florida Georgia Line** has pulled into the top slot again for "This Is How We Roll," this time with help of **Luke Bryan**.

But it's the heat from four-stroke writing quad that's even hotter than the performers, or the music video for that matter. That's because the writers are the performers (Bryan, FGL's **Tyler Hubbard** and **Brian Kelley**) in addition to Warner Bros. recording artist **Cole Swindell**, who was recognized by *MusicRow* for his own No. 1 "Chillin' It" at the turn of the year.

Catch the FGL duo as they headline the *This Is How We Roll* tour through the deep south before traveling up the east coast in June, and a west coast run towards the end of summer.

Boomer Kingston, KGKL/San Angelo, TX

Tell us something great about KGKL and your city-

We are the public service leader in our community and we do everything we can possibly do to help others. San Angelo and the surrounding communities are some of the most "giving" people in this country!

How do artist visits play a role in your stations operation strategy?

I appreciate the artists taking time to come see us. It does make a difference in how I perceive them.

Why is it important for you to be on MusicRow's panel?

It's a privilege to be on the Music Row panel, and I hope we will continue to be a part of it for many years to come.
