SOUTHERN HALO

ARTIST SPOTLIGHT

Current Single

Anything Is Possible

Songwriters

Catt Gravitt and Carl Falk

Bio:

Since their country radio debut, "Little White Dress," caught the attention of U.S. radio and press, this sibling trio from Cleveland, Mississippi has released the followup singles "Rewind" and "Living Like That."

Their broad appeal and current chart-rising single, "Anything Is Possible," will prove their staying power. Their previous CD, *Southern Halo*, bolstered the trio's profile and launched them light years forward from a National Finals finish in the 2014 Texaco Country Showdown, and now, Natalia (principal songwriter, guitarist, lead vocalist), Christina (drums) and Hannah (bass) are hustling like big leaguers. They've traveled over 18,000 miles and visited over 50 radio stations to promote their latest CD, the concept-driven *Just Like In The Movies*— in between video shoots, songwriting sessions, live performances, rehearsals and media days.

It's been a fast ride to the big stage for these Delta darlings. They've opened for Maren Morris, Old Dominion, Brantley Gilbert, Phil Vassar, Deana Carter, Love and Theft, Eric Paslay, Tyler Farr, Parmalee, American Young, B.B. King and Dionne Warwick. Southern Halo has performed at a pre-show on the rooftop terrace of the Grammy Museum in Los Angeles, launched Townsquare Media's Say It With Pepsi Concert Series, completed two U.K. tours and entertained crowds at CMA Fest 2016. They are thrilled to be performing at CMA Fest again this year.

When they are not on the road, the sisters now call Nashville home.

Catch Southern Halo during CMA Fest on June 7 from 1:30pm to 2:15pm at the CMA Spotlight Stage in Music City Center.
