*What criteria and resources do you use to determine new music and number of spins each week?*

**Regional popularity. And if the sound of the song is what we are going for. Also, if an artist is playing a show in the area they will receive double spins. (This includes our hometown Music Festival, *Country On The River*, August 7-9).**

*What role do promoters play in your selection and exposure of new music?*

**If it wasn't for promoters, we would probably have to lean on the charts more. They keep our playlist open.**

*In what areas does Q94FM excel?*

**We are very in-tune with the Country music industry and lead area stations in new music.**

*New Artists that you are most excited about?*

**Dallas Smith, Granger Smith, American Young, Sean Patrick McGraw, Sins Country, and Jordan Anderson.**
