## NO. 1 SONG

**Kenny Chesney**, Kenny Chesney, Kenny Chesney! He's at No. 1 this week on the CountryBreakout Chart with the first single from his forthcoming album, titled "American Kids." The Blue Chair-Columbia single was written by a trio of hit makers, **Rodney Clawson**, **Luke Laird**, and **Shane McAnally**. Sales for the single have already passed Gold status in advance of his September 23rd album release.

Although Chesney will not tour this year, except for [one free Flora-Bama-Jama concert](#) on August 16, the Country mainstay has prepared the [11-track](#) album to tide fans over. Again co-produced with longtime producer **Buddy Cannon**, Chesney has named the album *The Big Revival* and plans to feature guest vocals from **Alison Krauss**, **Dan Tyminski**, and **Grace Potter**.

We'll have to see if any surprise guests pop onto the stage in Orange Beach, Fl. Who has their wristband?

## VOICES OF SECONDARY RADIO

**Captain Jack - Renegade Radio - Nashville, TN**

**How long have you been at Renegade Radio?**

We are going on 4 years, I was one of the founders, my partner Bob Steele was the other.

**What "hats" do you currently wear each day?**

As the Chief Operating Officer, I have my hand in promotions, programming, engineering, public relations, and logistics.

**What is your philosophy on adding new music and artists to your playlist?**

If it's good and it's country, we'll play it.

**What role do promoters play in your decision?**

Promoters are my lifeline to the artists and their music, keeping me informed about new music coming out and coordinating station visits.

**Why is it important to you to report to *MusicRow*?**

The *MusicRow* Panel is made up of free thinking programmers who are dedicated to keeping their playlist fresh and cutting edge.

It is, in my opinion, the only chart with credibility since all the members are not connected to a single entity. I am proud to be part of it because I believe it sets the future trends of Country Music.

**Tell us something great about your station! (Feel Free to Brag a little!)**

Renegade Radio Nashville currently has the largest and most diverse playlist in the world, we combine the great old songs with the great new ones. Every song we play has been or can be a hit. I like to say we are bringing radio "Back To The Future." We are also very proud of the role we play in breaking great new artists and their music.

**Captain Jack**
