## NO. 1 SONG

Talk about nostalgia. **Luke Bryan** is taking us back to school break at the beach with this week's No. 1, "Roller Coaster."

**Michael Carter** and **Cole Swindell**

transport us with their songwriting for the Capitol Nashville title, produced by **Jeff Stevens**.

Although no roller coaster is pictured in the **Michael Monaco**-directed music video, an exhilarating romance is depicted by professional surfer **Evan Geiselman** and his love interest on a Panama Beach weekend.

Even *MusicRow* critic **Robert K. Oermann** was swept away by the summer beat in early July. "This rolls with verve and spirit. I like it that the vocal is mixed up bright and high, while the percussion is kept simple and steady. Very, very summer-y," he [reviewed](#).

You can catch Bryan falling off stages across the country for the rest of his That's My Kind of Night tour and then for his October Farm Tour 2014, before he heads to Riviera Maya, Mexico for the spicy Crash My Playa. More details [here](#).

## Voices Of Independent Promotions

Nanette Ballinger/Sidewalk Records/Nashville, TN

### How did you get into the radio promotions business?

I started out as an Executive Assistant/Coordinator and one day they came in and said..."Here's a list of stations, call these and let's see what happens." The verdict is still out...

### What is your favorite thing about your work?

I love meeting new people across the country and building strong relationships with them. It's great working with the best comedians on earth (radio programmers) while promoting artists and music I truly believe in!

### What is best about working with radio stations on the *MusicRow* Panel?

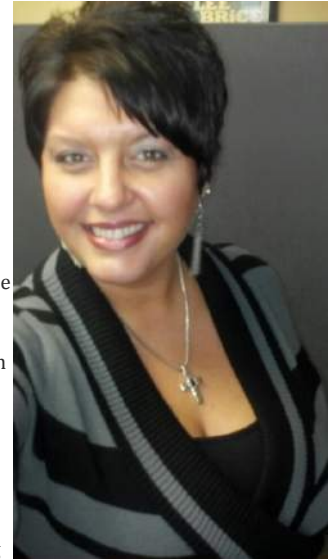

Love all my folks... Enjoy interacting with radio -- laughing and talking with them. I love the feeling that we are more like family than people I just work with!!! I enjoy the honesty and respect we have for one another.

### Tell us about one of your proudest accomplishments?

Took a VACATION!!!!

### What is an interesting fact about yourself that others may not know?

My first name is NOT Nanette! I sing in the shower very loudly but no worries I am not going to cut a SINGLE anytime soon...
