**Artist Bio:**

From the time he was a kid, Nick has loved all kinds of music. He especially loved singers with a deep bass voice. He comes from a musical family, including his mom, Inspirational Country singer/songwriter Cherie Brennan. When she heard him singing covers of artist like Trace Adkins and Josh Turner, she asked him if he ever thought of pursuing it as a career. He had just graduated from the University of Missouri with a degree in journalism and hadn't found a job yet, so he agreed to sing a song his mom had just written called, "Buck Naked." No sooner had they started to work on it when Nick received a job offer at a television station in Marquette, MI. He took a two-year assignment there and just finished this year. Coming back home to Jacksonville, FL, he decided to take a break from the news and concentrate on country music. "Buck Naked" is Nick's debut single and shows off a rich country voice. You're going to love this fun country song, and Nick Brennan.
