NO. 1 SONG

Blake Shelton is back in familiar territory as he takes "Gonna" to the top of *MusicRow's* CountryBreakout Chart this week. It is the third chart-topper for Shelton this year and the fourth straight from his album *Bringing Back The Sunshine*. The song was also included in his *Reloaded: 20 #1 Hits* album that was released last month.

"Gonna" was written by songwriting powerhouses **Luke Laird** and **Craig Wiseman**. Laird collects his sixth No. 1 challenge coin after also penning hits for **Tim McGraw**, **Luke Bryan**, **Eric Church**, **Kenny Chesney**, and more.

Wiseman has done enough hit writing to get himself elected to the Nashville Songwriters Hall Of Fame this year and was also named the NSAI 'Songwriter of the Decade' in 2009.

Shelton continues to be in the spotlight for many reasons. But the focus will remain on the music aspect of his career. He continues to release hit songs and is a star on one of the most-watched television shows (NBC's *The Voice*). He will also hit the road in 2016. Special guest will be labelmate **Chris Janson**.
