## NO. 1 SONG

**Jason Aldean** is back in familiar territory with a No. 1 song. "Gonna Know We Were Here" is the fourth single off his album *Old Boots, New Dirt*. It is the third song from the album that has reached the top of the *MusicRow* CountryBreakout Chart. The **Michael Knox**-produced album was recently [added back to Spotify](#) after being pulled over a year ago.

"Gonna Know We Were Here" was written by **Brett James** and **Brett Beavers**. Beavers is an award-winning songwriter who most notably has co-written several hits for **Dierks Bentley**. "Gonna Know We Were Here" marks his first earned No. 1 Challenge Coin. James was one of *MusicRow's* 2014 Songwriter of the Year recipients. It's been a while since we have heard his name; his previous *MusicRow* No. 1 came in April of this year.

The [music video](#) for Aldean's latest No. 1 will certainly get the football fan in all of us fired up. Of course, the pun is in reference to the often-seen flames in Aldean's videos and performances. It has become a trademark that his fans have come to love.

Aldean will kick off his [We Were Here Tour](#) in January 2016. Along with him will be special guests **Thomas Rhett** and **A Thousand Horses**.
