Artist Bio

Ever feel like you are in a really dark place and wish that someone or something would turn on the light? That's where singer/songwriter Cherie Brennan finds herself in her new single, "Mystery." When you need some peace of mind, find life difficult and confusing, where do you turn for help? Sometimes friends and family just can't help you, and in that moment of despair, you turn humbly to God. "Mystery" is a game changer whose music and lyrics will pierce through that wall of despair you may be feeling and help you find that freedom that Cherie found. Cherie's beautiful voice soars through this powerful and edgy track about redemption and hope. You can find "Mystery" on iTunes, Spotify, Amazon, and other outlets. "Mystery" was written by Cherie Brennan and produced by Daryl Phenneger for Cherie Brennan Music. For more information, please contact Stanley Music Group's Darlene Fowler 615-491-2074.

Fun Facts about Cherie:

1. I'm an avid tennis player.
2. I love walking on the beach (Florida girl)
3. I love walking with my dog, Shamus, off-leash in the woods
4. I'm an incurable romantic and love romantic movies and "chic flicks."
5. I love sitting at night in the enclosed back porch, listening to the nature sounds and having some quiet time.
6. Favorite food...dark chocolate anything.
